

Greater Saint Mark Missionary Baptist Church, Inc.

Dr. Clarence P. Noble, Pastor
P. O. Box 1154
Tuskegee Institute, Alabama 36087

September 13, 2020

Dear Members of Greater Saint Mark Missionary Baptist Church:

Thanks for your patience and steadfastness during this pandemic period. You have shown your greatness as it is written in God's Word – ***Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world. I John 4:4.*** As your Pastor over the past 40+ years, your loyalty and relentless support lives up to the name of our church "Greater" Saint Mark and I am humbly appreciative for each of you individually and collectively.

We are dedicated and committed to insure the utmost safe precautionary measures as we gradually return to our new norm of corporate worship. We are pleased and excited to announce our new Drive-in Worship service beginning Sunday, September 20th at 10:30 a.m.

Technology has afforded us the opportunity to minister the Word of God through our new FM Radio System. This will work via your vehicle radio by tuning in to 101.5FM in the parking lot at the church only.

In order for this worship service to be successful, we need your full cooperation and obedience. It is imperative that we keep you and your family safe while the Coronavirus is still very much among us - by adhering to the following rules:

- **Arrival time is important due to 6ft parking and spacing for each vehicle.** Therefore, please arrive between 9:45 a.m. and 10:15 a.m. This will give us ample time to get situated and begin on time. **Please allow the parking attendants to assist you in parking.**
- **You must remain in your car from the beginning of Worship to departure.** Please use the restroom prior to leaving home and children as well. This will help to control any possibilities of a gathering inside.
- **If you choose to bring your tithe and offering,** members of the finance committee will come directly to you with the offering basket prior to the beginning of worship. Please do not be offended with committee members not having lengthy conversations due to keeping on schedule and respecting social distancing.

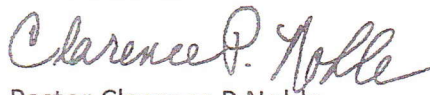

(OVER)

- **Once you arrive, please do not transition to another vehicle.**
- **Depending on the weather,** some of you may prefer fresh air or use your air conditioner. Should you decide on fresh air (windows down), please keep your masks on. Wind is a catalyst for carrying particles from your mouth that cannot be seen.
- **If there is an emergency or a matter of prompt attention,** please text Deacon James Cooper-334.421.9029 or Deacon Tommy Robinson-334.703.8524 or Brother Curtis Rayborn-334.205.2570 who will receive all text messages during Drive-in Worship service.

We realize this will take some adjustments but also believing that this is a wonderful way that we can still give God praise while bringing us together again and remaining safe.

Thanks for your cooperation and looking forward to seeing you there!

In His Service

Pastor Clarence P Noble
